

Update of Covid-19

ASAMA KUZANBO offers a safe stay that will avoid the "Three Cs*".

*Three Cs include close contact, confined spaces with poor ventilation, and crowded places.

Measures for infection prevention of coronavirus:

- Contactless Self Check-in / Check-out at the guest villas by using tablet in the villa to avoid contact with others as much as possible.
- Installation of safe and non-hazardous humidifiers "Ecolle-Sui" and periodic ventilation of villas public areas. Ecolle-Sui is a water with sodium hypochlorite, which is safe for small children and pets.
- Availability of alcohol-based disinfectants at each villa and public areas.
- Alcohol-based disinfectants to be used upon arrival at restaurants for all guests.
- Cleaning, including housekeeping, is completed by the staff of ASAMA KUZANBO.
- Checking body temperatures by staff members for working day.
- Masks to be worn by all staff members.
- Management of health and hygiene of staff members.
- All staff members are fully vaccinated (three times).

We will make every effort to ensure that your stay at our resort is safe and comfort.
